

# Deerfield Township Report

Spring / Summer 2015

Public Information Service of the Township Committee

## Cosmo Laurella Serves as Mayor in 2015

Now in his 26 consecutive year of the Township Committee, Committeeman and life-long public servant Cosmo Laurella was elected by his fellow Committeemen to serve as Deerfield Township Mayor for 2015 at the reorganization meeting of the Committee held in January. Mayor Laurella served for many years on the local Board of Education before beginning his years on the Township Committee.

He welcomed new Township Committeeman Joseph V. Sparacio, who attended the reorganization and several subsequent meetings by phone while he was deployed overseas by the Air National Guard. Mayor Laurella also congratulated Frank Spatola on his re-election to the Township Committee and he also thanked outgoing Mayor John Stanzone for his service as Mayor.

### Mayor Laurella outlined accomplishments in 2014 including:

- ◆ Painting of township offices
- ◆ New municipal hall septic system, replacement of landscaping around the municipal hall with volunteer labor from Boy Scouts
- ◆ Security cameras installed in the municipal hall
- ◆ Grant funding helped resurface Cedar Street from Morton Ave. to Greenman Ave.

**Mayor Cosmo Laurella is sworn in as Mayor by Township Solicitor Mike Testa as his family watches. The Mayor's comments included:**

*"I want to thank my fellow committee members for putting their trust in me to serve as Mayor. I thank the Committee for their hard work in 2014. Our office staff and other employees and volunteers do a good job in keeping the Township moving forward. In particular I thank Karen Seifrit, Cheryl Tramontana, Brenda Closser, Ron Shinn and Bruce Murphy for their service as township employees."*

### Mayor Laurella also talked about items to be worked on in 2015:

*New Township Committeeman Joseph Sparacio was sworn in locally when he returned from military service earlier this year. He had been sworn in to his first year on the Township Committee while overseas serving his country. He was sworn-in by Cumberland County Freeholder Carman Daddario as his girlfriend Nicole Mosley stood beside him.*

- ◆ Purchase of a new rescue vehicle for Rosenhayn Fire and Rescue to replace one that is now over 20 years old.
- ◆ The building that housed the former Carmel Fire Company will be put on the market and sold.
- ◆ New well and pump for fire company use will be located in Carmel in Carmel Park on Sugarman Ave. when fire hall is sold.

### Township Reorganization Meeting

Continued from page 1

- ◆ Continued use of shared services with other municipalities to reduce expenses and improve services.
- ◆ Apply for and obtain grant funding to repair more streets and to make other improvements.
- ◆ Create a budget that keeps the local purpose tax rate at its current low level of just 8 cents per hundred dollars of assessed value.

“We must all work together for the Township of Deerfield. If you have a problem the Township can assist with, bring it to us and we will do our best to find a solution”, concluded Mayor Laurella.

Left photo - Frank Spatola, Jr. is sworn in to a new 3-year term on the Township Committee as his son Frank and grandchild watch. Right photo - John Stanzione is sworn in as Deputy Mayor by County Clerk Celeste Riley (right) as Freeholder Carol Musso watches.

## 2015 Municipal Budget Keeps Local Purpose Tax Low

There will be **no increase in local purpose tax rate** for Deerfield property owners based on the 2015 budget approved by the Township Committee.

With no increase to the township’s local purpose tax rate, the rate will remain at 8 cents per \$100 of assessed property value. That means the owner of property assesses at \$100,000 would pay just \$80 this year to support its local government. The balance of the total property tax bill goes for County government services and local and regional schools. The Township collects the other taxes but only controls the local portion.

Mayor Laurella asks you to consider these numbers when you think about your total tax bills. In the State fiscal year, July 1, 2013 to June 30, 2014 the Township collected and sent the following amounts to the County and schools.

Cumberland County:	\$2,131,229
Cumberland Regional School:	\$967,625
Deerfield Twp. School:	\$2,597,525
Local Purpose Tax Collected:	\$102,123

See [www.deerfieldtownship.org](http://www.deerfieldtownship.org) for a full copy of the budget.

### Rosenhayn Fire & Rescue News

Congratulations to our recent graduates of the Firefighter 1 course!

On February 5, 2015 Dan Mathias, Larissa Sanders, and Jack Murphy graduated from the state’s 220-hour course. Thank you for your dedication and the nights and weekends away from your families. We are very proud of your accomplishments and thankful for your willingness to serve our community.

Jason Scythes

President, Rosenhayn Vol. Fire & Rescue

# Solutions to Stormwater Pollution

## *Easy Things You Can Do Every Day To Protect Our Water*

### A Guide to Healthy Habits for Cleaner Water

**P**ollution on streets, parking lots and lawns is washed by rain into storm drains, then directly to our drinking water supplies and the ocean and lakes our children play in. Fertilizer, oil, pesticides, detergents, pet waste, grass clippings: You name it and it ends up in our water.

Stormwater pollution is one of New Jersey's greatest threats to clean and plentiful water, and that's why we're all doing something about it.

By sharing the responsibility and making small, easy changes in our daily lives, we can keep common pollutants out of stormwater. It all adds up to cleaner water, and it saves the high cost of cleaning up once it's dirty.

As part of New Jersey's initiative to keep our water clean and plentiful and to meet federal requirements, many municipalities and other public agencies including colleges and military bases must adopt ordinances or other rules prohibiting various activities that contribute to stormwater pollution. Breaking these rules can result in fines or other penalties.

**As a resident, business, or other member of the New Jersey community, it is important to know these easy things you can do every day to protect our water.**

### Limit your use of fertilizers and pesticides

- Do a soil test to see if you need a fertilizer.
- Do not apply fertilizers if heavy rain is predicted.
- Look into alternatives for pesticides.
- Maintain a small lawn and keep the rest of your property or yard in a natural state with trees and other native vegetation that requires little or no fertilizer.
- If you use fertilizers and pesticides, follow the instructions on the label on how to correctly apply it.

Make sure you properly store or discard any unused portions.

### Properly use and dispose of hazardous products

- Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze, and paints.
- Do not pour any hazardous products down a storm drain because storm drains are usually connected to local waterbodies and the water is not treated.

## Recreation Committee Sponsors Easter Egg Hunt

Dozens of youngsters came to Frank LoBiondo, Sr. Park on Morton Avenue in March to search for eggs to win prizes and candy.

continued from page 5

- If you have hazardous products in your home or workplace, make sure you store or dispose of them properly. Read the label for guidance.
- Use natural or less toxic alternatives when possible.
- Recycle used motor oil.
- Contact your municipality, county or facility management office for the locations of hazardous-waste disposal facilities.

### Clean up after your pet

- Many municipalities and public agencies must enact and enforce local pet-waste rules.
- An example is requiring pet owners or their keepers to pick up and properly dispose of pet waste dropped on public or other people's property.
- Make sure you know your town's or agency's requirements and comply with them. It's the law. And remember to:

- Use newspaper, bags or pooper-scoopers to pick up wastes.
- Dispose of the wrapped pet waste in the trash or unwrapped in a toilet.
- Never discard pet waste in a storm drain.

### Dispose of yard waste properly

- Keep leaves and grass out of storm drains.
- If your municipality or agency has yard waste collection rules, follow them.
- Use leaves and grass clippings as a resource for compost.
- Use a mulching mower that recycles grass clippings into the lawn.

### Keep pollution out of storm drains

- Municipalities and many other public agencies are required to mark certain storm drain inlets with messages reminding people that storm drains are connected to local waterbodies.

- Do not let sewage or other wastes flow into a stormwater system.

### Don't feed wildlife

- Do not feed wildlife, such as ducks and geese, in public areas.
- Many municipalities and other public agencies must enact and enforce a rule that prohibits wildlife feeding in these areas.

### Don't litter

- Place litter in trash receptacles.
- Recycle. Recycle. Recycle.
- Participate in community cleanups.

## Recreation News

The Recreation Committee is making plans for the 37th **Deerfield Township Harvest Festival to be held on Oct. 8, 9, 10 & 11, 2015.** Anyone with ideas or who would like to join the festival committee, please contact the municipal building or any member of the Recreation Committee.

The Recreation Committee will present **Youth Night at the municipal building on June 3 at 6 PM.** In cooperation with Deerfield Township School, students will elect a Youth Township Committee and Youth Recreation Committee and they will conduct meetings on June 3 in the municipal building meeting room. Winners of the youth week poster and essay contests will also be recognized.

The Township has been informed by NJ Department of Transportation that re-surfacing and drainage work will be done on NJ Rt. 56, Landis Ave. from Kenyon Ave. to near Carlls Corner beginning in May 2015. Be cautious and expect some delays.

## Charlotte Brago Senior Center News

Lorene Thompson, Sr. Center Coordinator

The Charlotte Brago Senior Center membership continue to grow. The center offers a comfortable center for Seniors to come and stay informed, exercise, socialize, play games, have a nutritious lunch, hear speakers on various topics of interest. You can also get your toenails cut, or get a massage plus have your blood pressure taken on the first Wednesday of each month. Our Seniors have a Wii bowling team and they travel to other senior centers and compete. Every day is a party at the senior center! The Senior Center is open Monday through Thursday from 10 to 3 pm for all seniors to come and enjoy. Please call 856-455-6902 for more information.

Left to right, Mayor Cosmo Laurella, outgoing president Doris Martorana, new President Richard Sibley and new Vice President Jean Singer. New officers are installed at the Senior Center by Township Mayor Cosmo Laurella.

New Deerfield Township Committee person and recently deployed Air National Guard member Joseph Sparacio and Rosenhayn Volunteer Fire Company President Jason Scythes came and spoke to the seniors at the Charlotte Brago Senior Center.

## CHANGES TO 2015 FARMLAND FORMS ANNOUNCED

by Lisa Perella, Tax Assessor

Public Law 2013, Chapter 43 amended the Farmland Assessment Act. Please find the changes below that will be required when you are filing your Farmland Application on or before August 1st 2015.

Thank you, Lisa J. Perella, CTA, Assessor

Beginning in Tax Year 2015, The Division of Taxation has created the "Supplemental Farmland Assessment Gross Sales form, Form FA-1 G.S., for taxpayers to report their gross sales for the year. Use of this form is MANDATORY per the Division of Taxation. Failure to return with your form will result in a denial of your farmland application.

Beginning in Tax Year 2015, \$500 Gross Sales criterion for the first 5 acres is increased to \$1,000, except for lands under a Woodland Management Plan, then the Gross Sales requirement remains at \$500 for the first 5 acres. Proof of Gross Sales must be submitted w/each application.

### CONSTRUCTION CODE CORNER - Teresa Warburton, Construction Official

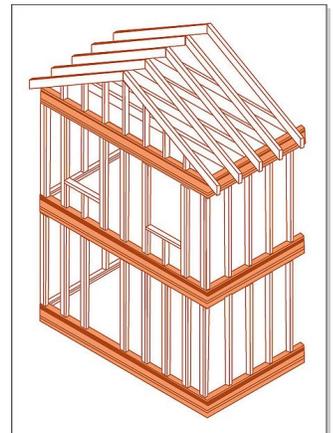

It seems as if a lot of people, licensed contractors included, have trouble remembering when it is ok to do work on houses without the benefit of a State Licensed Contractor. Hopefully the confusion will be lifted after reading this article.

The State of New Jersey says you can do your own work on your own house providing the house is your primary residence. That means you must live there for the majority of the year. No license is required to do any building, electric or plumbing work. However, you are still required to obtain all necessary permits.

If you do not own the house where you live or if you are a Landlord, licensed contractors must sign and seal the permit applications for plumbing and electrical permits. It is also necessary to have a licensed contractor do any building work on your property (roofing, siding, etc.) if you do not do the work yourself. This is true for all residential dwellings.

Commercial properties must ALWAYS have licensed contractors do any work.

Should you have any questions please call the Construction Code Office at 856-455-9591.

## Air National Guardsman Serves on Township Committee

by Don E. Woods | South Jersey Times

Days after returning from deployment with the Air National Guard, Joseph V. Sparacio started a different kind of public service by being sworn-in to the Deerfield Township Committee.

"My family has been here for the last 100 years and I want to be here for the time forward," he said. "It's time to do my part in the community."

He started deployment to Kuwait after winning the primary election in June and, despite not even being in the country for the election, managed to be the top vote getter in the 2014 election for Deerfield Township.

"I was very, very proud that he won, but I was more proud that he had the ambition to run," said Anthony Sparacio Jr., his father, who said he voted for him.

Sparacio joined the Air National Guard just out of high school when he was 18. That was nine years ago. He is now a station captain and works as a firefighter. He owns Maple Valley Nurseries in Rosenhayn.

## Advisory Committee to Be Formed for Water Run Off, Other Farm-Related Matters

The Township Committee is considering the formation of a special advisory committee to consider water run-off and other issues related to farms in Township. If you are interested in serving on this committee call the municipal building or let any township committeeman and or Township Clerk know -- 856-455-3200.

## Deerfield and Upper Deerfield Shared Service for Construction Office Services Expanded

On May 1, Deerfield Township will utilize Upper Deerfield personnel for plumbing, electrical, fire and building inspections and services of the construction code office. On a daily basis, the services will be available at the Upper Deerfield Municipal Hall in Seabrook. Appointments may also be made by calling 856-455-9591.
