

Deerfield Township Harvest Festival

It begins with a smile!

Photo challenge

Aim, Click and Capture Smiles

The 36th Deerfield Township Harvest Festival on Oct. 10, 11 & 12 will "Make You Smile" with a weekend of family fun, music and saluting our farming heritage on Columbus Weekend.

Smiling happens without putting much thought in; it's a natural response that shares our happiness and emotions with others. What Makes You Smile? Whether it's a holiday photo, a selfie with your best friend, your favorite meal or a picture of your morning brew, we want to smile with you. What makes you smile? Is it your partner, your kids, a random act of kindness? Is it those baby animal pictures or when an elderly couple walks hand in hand, a beautiful sunset or a rainbow....lots of little things make you smile.

Submit a photo of someone or something that makes you smile, Submit a jpg format photo. Email your photo to harveyfest@dthf.org. Write "Smile" in the subject line. If you are unable to send your photo electronically, it may be brought to the Deerfield Township Municipal Building before the deadline .

This photo challenge is open for photo submissions from today until October 1, 2014.

We will be choosing the Top Ten favorites to be featured on the Harvest Festival "SMILES" wall. All photos sent to the challenge will be included in a "SMILES" video presentation to run on the Fest-a-Vision, our giant video screen, during the festival and in a video that will be posted to Deerfield Township Harvest Festival channel on youtube.com.
